I go by Barbie Ly. My last name is pronounced as "Lee". I'm a model and dancer. I go by Barbie Ly because growing up I've always been a petite girl and loving everything that is pink and girly has always been my thing. I also love fashion and dressing up and having colorful hair with blue/green eyes. Modeling and dancing is my life and I wouldn't trade it for anything else.

Hi, I'm Toni Lou. I've been modeling for several years now and I love it! I love to stay fit and toned by working out at the gym and long walks with my dog Bailie Boo! I just love her to bits. I plan to do lots more glamour shoots this year and also do more video work, so please follow my Instagram and see what I've been up to!

Masha aka Petite Ukrainian is a freelance art nude model born and raised in Donetsk, Ukraine, who now travels all over the USA to create. Masha has wanted to be a model/actor since she was a child, but did not know how to start until she was an adult. It happened slightly by accident after she went to a photoshoot with a model friend and had some test shots taken. It's been a fun up and down journey ever since.

Coming from extreme poverty in Donetsk, she is extremely grateful to be thriving in the USA, especially as a model who is so petite. Masha plans to continue modeling until she feels like trying another venture. She foresees that as being photography and modeling mentorship. Because life is fluid, Masha has never been the type to make a five-year plan as she understands that every little thing changes, even down to wants and needs.

Shh, not

A woman is lying on her back on a bright red, padded surface. She is wearing black high-heeled shoes. Her legs are spread apart, and her arms are bent with her hands near her head. She has several tattoos: a small one on her upper right thigh, a large, colorful one on her right calf, and another on her left arm. The background is a solid red wall.

I'm an artist by nature. I have found my inspiration is in front of the camera and I love expressing myself through emotive poses. I'm always up for the next big adventure and seeking creative collaborations throughout 2019.
